Learn HTML: Build Your First Website from Scratch

Master CSS: Responsive Websites with Flexbox, Grid & SCSS

Tailwind CSS Mastery: Modern UI Design & Responsive Layouts

Jul 2, 2026

Jakub Kuzakowski

has successfully completed the online Specialization

Frontend Web Development

This certifies that the learner has successfully completed the Frontend Web Development specialization, demonstrating the ability to build modern, responsive, and interactive websites using industry-standard frontend technologies. The learner has gained hands-on experience with HTML, CSS, Flexbox, CSS Grid, SCSS, and Tailwind CSS for creating structured web pages, responsive layouts, and modern UI designs. Through practical projects and real-world scenarios, the learner has developed skills in responsive design, reusable components, scalable styling, and user-friendly interface development across multiple devices and screen sizes.
